

WILKES-BARRE ACADEMY SUMMER CARE PROGRAM – 2019

During our summer program, we invite parents to volunteer as chaperones for our field trips. Parent chaperones are much appreciated. These parents are put in charge of a small group of children or help out with the group as a whole.

Below is a listing of the field trips and the cost of each. Please fill out, detach, and return this form to your child’s teacher with the appropriate payment attached. If you are paying by check, please make your check payable to “Wilkes-Barre Academy Summer Program.” Please note that bus space is limited so parent chaperones are asked to car pool or drive their own vehicle to the designated field trips.
